

How to Set Up Your Mesh Extender with the Brightspeed WiFi app

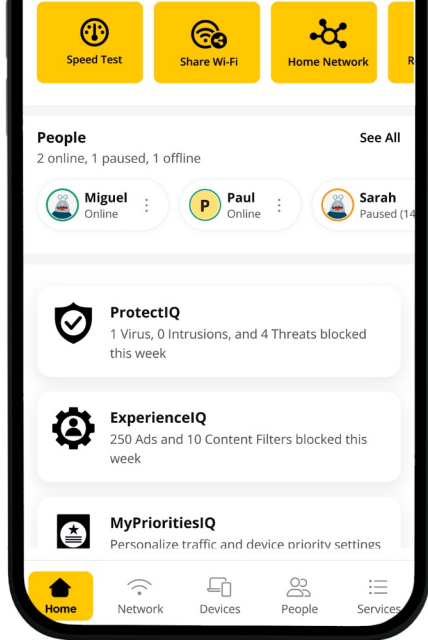

A man with a dark beard and mustache, wearing a white button-down shirt, is sitting on a light-colored sofa. He is looking down at a silver laptop on his lap, with his hands on the keyboard. A young child with light hair, wearing a white sweater, is sitting next to him, also looking at the laptop screen. The background is a softly lit room with a window, a small table with a basket, and some decorative items. The overall mood is calm and focused.

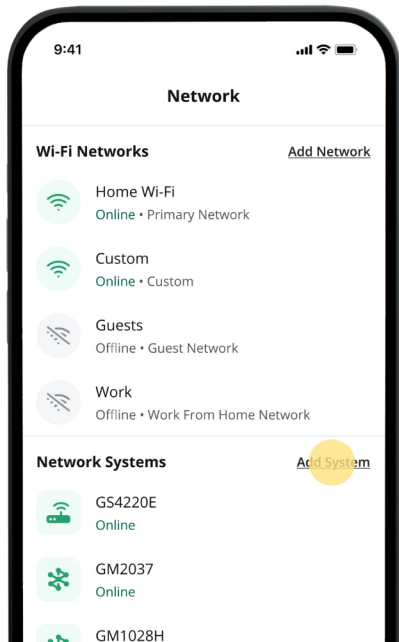

Whole-Home Coverage,
Zero Dead Zones

Plug your mesh into
