

News Release

Closing the Connectivity Gap: Brightspeed High-Speed Fiber Internet Now Available in Andover, Ohio

Company completes fiber broadband build to deliver multi-gig-speed internet to families and small businesses in rural Ohio

CHARLOTTE, N.C. — June 11, 2026 — Fast, reliable internet is now within reach for more than 1,600 residents in Andover, the latest community in Ashtabula County to get connected to a state-of-the-art, future-ready fiber network from Brightspeed, the nation's third-largest fiber broadband builder.

In 2026, reliable internet isn't a luxury; it's a necessity. That's why [Brightspeed](#) is investing in rural communities like Andover, expanding access to the tools people need to learn, connect with loved ones, run a business and thrive. This expansion is part of the company's broader effort to connect more than 550,000 locations across Ohio to the nation's fastest internet* that has a 4.4-star rating on Trustpilot and nearly 19,000 five-star reviews. *

The table below illustrates other Ashtabula County communities where Brightspeed has connected to fiber or is currently building:

Community	Planned Locations
Jefferson	2,484
New Lyme	472

Connecting with the community, door to door

With construction complete, Brightspeed representatives will start engaging with communities to help families and businesses understand fiber connectivity and get started.

Residents can meet directly with our representatives or visit www.brightspeed.com to learn more about available speeds.

*As of 6/10/2026 on [Trustpilot](#)
