Brightspeed Expands Fiber Internet Network in Virginia to Serve Stanley and Surrounding Rural Areas

Company announces plans to bring ultra-fast fiber internet to Stanley, the latest community in Virginia

CHARLOTTE, N.C. — June 11, 2026 — Fast internet isn't a luxury; it's an essential utility for families trying to work from home, students needing reliable access for schoolwork and small businesses looking to grow. That's why [Brightspeed](#), the nation's third-largest fiber builder, is investing in Stanley and the Shenandoah Valley, bringing the nation's fastest internet (highspeedinternet.com)* to the area and expanding access to the tools people need to thrive.

Through this expansion, more than 1,700 homes and businesses in Stanley will gain access to Brightspeed's multi-gig-speed 100 percent fiber-to-the-home internet. The project is part of the company's broader investment to connect more than 15,000 families in the Shenandoah Valley and more than 190,000 families statewide.

The table below illustrates other Shenandoah Valley communities where Brightspeed Fiber Internet is coming:

Community	In Permitting Phase
Brownsburg	503
Buena Vista	159
Glasgow	922
Lexington	1,141
Natural Bridge	1,403

Brightspeed's fiber network build is 60 percent complete in Virginia, marking a significant milestone in the company's effort to bring reliable, future-ready connectivity, which has a 4.4-star rating on Trustpilot and nearly 19,000 five-star reviews.**

What's Next in Stanley?

Over the coming months, residents will see our Brightspeed trucks and authorized crews rolling into their neighborhoods. Crews may dig, bore underground or work on existing utility poles to connect them to Brightspeed's state-of-the-art network.

Once construction is complete, families and business owners can meet directly with Brightspeed representatives, who will be in the area to spread the word about the availability of Brightspeed Fiber Internet.

Check Availability & Get Connected

For Stanley, this investment represents more than fast speeds. It's about creating new opportunities for families who have historically been left behind.

Brightspeed offers various internet speed plans to choose from. Residents and businesses in Virginia can check if Brightspeed Fiber Internet is available in their area by visiting www.brightspeed.com.
