

## News Release

# Brightspeed in Final Phase of Fiber Internet Expansion in Far Western Ohio

*Company's next-gen connectivity is fueling opportunity for Van Wert and Delphos*

**CHARLOTTE, N.C. — June 25, 2025** — Brightspeed, the nation's third-largest fiber broadband builder, is connecting thousands of people across western Ohio to its state-of-the-art, high-speed fiber network. More than 8,000 homes and businesses in Van Wert and Delphos now have access to the country's fastest internet service, as determined by HighSpeedInternet.com's Annual Service Provider Review 2025.

According to Broadband Now, Ohio ranks 30<sup>th</sup> among states when it comes to internet coverage, speed and availability. As a result, many in the Buckeye state are missing out on the kind of connectivity they need to thrive in today's economy. Brightspeed is making a difference for families, remote workers, students, and small businesses in Van Wert and Delphos. More than half of these western Ohio communities will have access to multi-gig-speed internet service when Brightspeed's full fiber network buildout is complete.

The table below illustrates the total number of homes and businesses that are ready to be connected.

Community	Planned Locations	Ready for Service
Van Wert	5,895	5,160
Delphos	3,832	2,979

With super-fast speeds and cutting-edge technology, Brightspeed's fiber network is designed to empower how people work, learn, live, and interact today.

### Check Availability & Get Connected

Brightspeed offers various internet speed plans to choose from. Residents and businesses in Ohio can check if Brightspeed Fiber Internet is available in their area by visiting [www.brightspeed.com](http://www.brightspeed.com).
